

Practice Matters

- ❖ Are you committed to your own professional development?
- ❖ Are you inspiring your students?
- ❖ Do you truly reflect on your practice?
- ❖ Do you fully utilise student feedback to evaluate the impact of your teaching on learning outcomes?
- ❖ Are you up to date with the latest thinking on how the effectiveness of teaching is measured?

This programme is led by senior leaders from Gloucestershire schools, which will take place over three mornings in the autumn term and is designed **to give teachers the opportunity to reflect on their teaching and to share ideas.**

The course itself is free of charge to GASH schools but we do ask for a £50.00 contribution towards refreshment expenses.

To register your interest e-mail:

niki@adfecto.org.uk

We will then contact you to confirm dates.
